Lionel "Bud" Owen KG8BK

Lionel "Bud" Owen, KG8BK Age 62. Was a great friend to all who met him and especially Ham Radio. He was associated with the I.R.A. and served on it's board for a number of years. He was also instrumental in Helping Mara purchase its' first repeater. He served as Director on the 541 Inc board. An avid DX'er, he still found time to work the Swap's as a volunteer and attend local club meetings. He was one of the persons responsible for using 146.550 Mhz as a DX spotting frequency with many other local Hams. The Double Nickel as W8DCL called it. He participated with our club's Field Day and I can remember him calling CQ FD in a tent during the night. It was always a joy to chat with bud either in person or on any of the repeaters. God Bless you Bud.
