Donna Wild W8DMW

Donna, the XYL of Bob WC8O, was active both on the air and in the club. She was one of the first member's of the XYL net and helped others when she could.

One could hear her smile through her microphone. That's the kind of person she was.

Donna was a bright light in this world.

If you have a phot of Donna, please send it to me and I'll put it up.
