KC8FQK Keith Eadie Jr

Keith loved becoming involved in life. Being blind didn't hold him back in any endeavor he chose to get into. He was a contributor to our newsletter as well as a Field Day operator. He also was a skilled and talented musician and played in server bands. It was a joy to know and become friends with Keith. He enjoyed attending the local ham festivals and joining in on the VHF nets. Keith "Buckshot" Eadie will be missed.

Rest in peace my friend.
