## Larry Ambruz KB8MZR

Larry Ambruz, KB8MZR, age 91, passed away on October 16, 2014. On August 31, 1991, along with several of his Ham Radio Friends, formed the Michigan Amateur Radio Alliance. His love for his family and Ham Radio was evidenced by his love to keep in contact with his son, Richard, also a Ham Radio operator, and his desire to advance his understanding of electronics.

Larry worked at General Motors for over 30 years and was a World War II Veteran. He was active with the UAW. He had a special relationship with several Hams, who helped create MARA. Bob Hammond N8XHA and Ed Lomasiewicz W8NZW.

One would always remember Larry's smiling face and warm chuckle after meeting him. He was always willing to help out with anything he could.

Your warmth and friendship will be missed.
