Special Bulletin 2016 Elections

If you wish to nominate another individual in any of these positions and he/she accepts the nomination, a balloting will proceed at the December 14, 2016 meeting.

If there are no further nominations, and the current President formally asks for the nominations to be closed. The President can then ask for a motion to accept the nominations, as they stand un-opposed, and ask the membership accept them as the new officers for the next term. If this is done, the new officers will take their offices at the January 2017 meeting.

Special Announcements

Repeater Trustee Gale Scholten, N8GS, has asked that members consider becoming the club repeater trustee. Now that Donna has also retired, Gale and Donna are planning some "retirement expeditions", and would like to be free of the trustee obligations as soon as practical. This position is appointed and can be approved by the membership at any time.
