The Club's after Xmas party will be discussed at a later date when we feel safe to get together as a group, maybe we could call it the "After Covid Party" (*editor's note, can anyone tell me why after almost 2 years, covid still does not pass spellcheck*)

Jerry reported that around Fairfax and Loudoun counties, Virginia where his son lives, they are getting 100% positive for covid tests, locally we are about 30%.

Members are reporting that telephone scams are getting out of hand, asking for SS & credit card nr's.

Members have heard that the "Get of the Cabin" dinner is still on and will be held at the Pizza Ranch in Hudsonville, but we don't have a date.

Jerry made motion, 2nd by Corey to adjourn at 756 PM, passed.
