

I noticed lately that our monthly meetings have been short of members. We meet every 2nd Wednesday of the month at 7:00 PM at the fire station on 5 mile road and Plainfield. The meeting lasts about an hour.

Club business is discussed starting with reading the club minutes then the treasures report. We must have a minimum 5 members in good standing and 2 members must be board members in order to conduct club business.

You do not have to be a member to attend our meetings. If you can spare an hour of your time once a month it would be appreciated.

Dan, N8NIJ. President of MARA
